PRESS RELEASE

NOMANTIC HOMME/FEMME
TUESDAY 27 OCTOBER 2026
PIM 3 CITY HALL, Jl. Sultan Iskandar Muda Blok Kav No.4, Jakarta Selatan, 12310

For this collection, HOTEL presents Nomantic, a collection exploring the space between romance and its absence.

Through familiar silhouettes, distressed textures, and understated details, the collection reflects a more imperfect view of romance – raw, distant, and open to interpretation.

Nomantic is a love letter to the romantics who never quite believed in happy endings – where heartbreak becomes attitude, and romance becomes rebellion.

Hope you enjoy the show.

From yours truly, Kent & Vincent
