DEBZ Mempersembahkan "Nuansa Waktu" di Jakarta Fashion Week 2027

JAKARTA, 29 Oktober 2026 — Dunia mode Tanah Air kembali bersiap menyambut karya terbaru dari desainer batik kontemporer, Debby Fauziyanto, melalui DEBZ di Jakarta Fashion Week 2027.

Sejak 2015, Debby dikenal sebagai desainer batik kontemporer dengan karakter desain yang inovatif dan kuat. Berbekal pendidikan Fashion Design & Merchandising Marketing di San Francisco, ia konsisten memadukan kekayaan budaya Indonesia dengan sentuhan modern. Karyanya juga telah berkembang hingga ke kancah internasional, termasuk meraih penghargaan Best Designer pada Australian Supermodel of the Year (ASOTY) 2023. Eksistensinya telah ditampilkan dalam berbagai perhelatan fashion di Jakarta, Bali, Singapura, hingga Australia.

Melalui "Nuansa Waktu", DEBZ mengeksplorasi pertemuan antara keanggunan era Victorian dan estetika kolonial yang diinterpretasikan melalui perspektif budaya Indonesia. Koleksi ini merefleksikan perjalanan estetika lintas zaman, ketika karakter klasik dan keindahan masa lalu diterjemahkan ke dalam bahasa fashion yang lebih kontemporer. Siluet feminin, detail yang sophisticated, serta kekayaan karakter budaya menjadi medium untuk menghadirkan kembali nuansa masa lalu dalam perspektif yang relevan dengan masa kini."Nuansa Waktu" juga menjadi refleksi tentang bagaimana warisan budaya Indonesia dapat terus berkembang dan melintasi generasi—bukan sekadar sebagai sesuatu yang dikenang, tetapi sebagai sumber inspirasi yang terus hidup dan berevolusi.

Koleksi ini menghadirkan sosok perempuan yang anggun, feminin, dan berkarakter, dengan kepercayaan diri sebagai perempuan modern. Karakter tersebut diwujudkan melalui pendekatan soft tailoring, menghadirkan siluet yang terstruktur namun tetap ringan dan feminin. Detail lengan bervolume, garis potong yang tegas, serta aksen dekoratif memberikan interpretasi kontemporer terhadap estetika Victorian. Perpaduan berbagai material, seperti lace, tartan, jacquard, semiwool, dan batik, menciptakan dimensi visual yang kaya, mulai dari karakter romantis dan feminin hingga klasik dan sophisticated.

Sebagai salah satu identitas utama koleksi, Batik Buketan hadir melalui motif floral yang feminin, dekoratif, dan kaya akan detail. Karakter bunga dalam motif tersebut menjadi penghubung antara estetika klasik yang menjadi inspirasi koleksi dan kekayaan budaya Indonesia. DEBZ kemudian menerjemahkan karakter tersebut melalui siluet serta detail busana yang lebih modern, menciptakan keseimbangan antara warisan budaya dan fashion kontemporer.

Melengkapi presentasi koleksi di Jakarta Fashion Week 2027, DEBZ berkolaborasi dengan VIVI NICI sebagai Official Footwear Partner dan Noor 8 Fine Jewelry sebagai Official Jewelry Partner.

VIVI NICI, merek alas kaki perempuan asal Indonesia, kembali hadir di Jakarta Fashion Week 2027 melalui *"Astra Vie"*, koleksi yang terinspirasi dari perjalanan waktu, pergerakan, dan transformasi. Hadir bersama DEBZ dalam tema *"Pendar Paradoks: Senandung Masa dan Rasa"*, koleksi ini memadukan masa lalu dan masa kini melalui siluet refined, detail berkilau, dan karakter feminin modern. Dirancang dan diproduksi di Indonesia, setiap desain merefleksikan perjalanan unik perempuan dalam menemukan cahayanya sendiri.

Noor 8 Fine Jewelry, merek fine jewelry asal Bali, melakukan debut perdananya di Jakarta Fashion Week 2027 dengan menampilkan koleksi signature ikonik serta pratinjau eksklusif koleksi terbaru yang belum dirilis. PRESS RELEASE

DEBZ Presents "Nuansa Waktu" at Jakarta Fashion Week 2027

JAKARTA, October 29, 2026 *— Indonesia's fashion scene is set to welcome the latest collection by contemporary batik designer Debby Fauziyanto, presented under her label DEBZ at Jakarta Fashion Week 2027.*

Since 2015, Debby has been recognized for her distinctive and innovative approach to contemporary batik design. With a background in Fashion Design & Merchandising Marketing from San Francisco, she has consistently combined Indonesia's rich cultural heritage with a modern sensibility. Her work has also gained international recognition, including winning Best Designer at the Australian Supermodel of the Year (ASOTY) 2023. Her designs have been showcased at various fashion events in Jakarta, Bali, Singapore, and Australia.

Through "Nuansa Waktu," DEBZ explores the intersection of Victorian elegance and colonial aesthetics, reinterpreted through the lens of Indonesian culture. The collection reflects an aesthetic journey across eras, translating the timeless character and beauty of the past into a contemporary fashion language. Feminine silhouettes, sophisticated details, and rich cultural influences come together to evoke the spirit of a bygone era through a perspective that resonates with the present.

"Nuansa Waktu" also reflects on how Indonesia's cultural heritage can continue to evolve and transcend generations—not merely as something to be remembered, but as a living source of inspiration that continues to grow and transform. The collection celebrates a woman who is graceful, feminine, and distinctive, embodying the confidence of the modern woman. This vision is expressed through a soft-tailoring approach, creating structured silhouettes that remain light and feminine. Voluminous sleeves, defined cuts, and decorative accents offer a contemporary interpretation of Victorian aesthetics. A combination of materials, including lace, tartan, jacquard, semi-wool, and batik, creates rich visual dimensions, ranging from romantic and feminine to classic and sophisticated.

As one of the collection's defining elements, Batik Buketan features floral motifs that are feminine, decorative, and intricately detailed. The floral elements serve as a connection between the classical aesthetics that inspire the collection and the richness of Indonesian cultural heritage. DEBZ reinterprets these characteristics through modern silhouettes and garment details, creating a harmonious balance between cultural heritage and contemporary fashion.

To complement its presentation at Jakarta Fashion Week 2027, DEBZ collaborates with VIVI NICI as its Official Footwear Partner and Noor 8 Fine Jewelry as its Official Jewelry Partner.
