

EVERYDAY

About the collection

The six exclusive looks for MASARI are inspired by Pierre Boncompain, a French painter whose works often focus on the pleasures and the simplicity of life. Everyday brings contemporary interpretations on Indonesian ikat, Batik Kawung, and batik mega mendung also their collaboration with Yogyakarta-based graffiti artists 'Tuyuloveme' into the collection. Everyday collection of printed pajamas, shirt dresses, loose-fitting kimonos, and tube tops all made in natural fabrics such as Tencel and rayon, will be available at Masari & Masarishop.com on December 2020.
